

**Life Unlimited Friends and Family Meeting
01/05/2022 at 3:00p via Zoom**

Attendees: Exec Team, other staff members, families, guardians, service coordinators, etc.

Agenda Topic / Task	Owner	Notes
Welcome/ New CDC Guidance/Remote Supports	Julie E/	<ul style="list-style-type: none">- Resurgence of pandemic starting to effect our agency.- We were one of first organizations to mandate vaccines. Majority of staff and individuals are boosted, and we are doing another incentive for those staff willing to get the booster.- We had an outbreak 5 individuals who attend a workshop, and then their roommates and staff. Along with the numbers spiking in the community, and amongst staff.- We are fortunate enough to be our own testing site, so when there is an outbreak we test everyone. Which makes our numbers appear high, but that is due to availability of testing.- The COVID plan is listed on the website. We will be following and updating some guidelines to match the CDCs recommendation for a healthcare facility in crisis. So updates will be made shortly and sent out. Please refer to this plan if you have any questions.- With everything going on, we will be following CDC guidelines however there will be more risk of individuals in the home, or staff in the home who are positive. Luckily most who are getting COVID are just experiencing mild symptoms due to our vaccination rates, masking and other policies.- Julie T and My Day Program have done an exceptional job, so My Day will continue to stay open until further notice. We are not looking at lockdown. We are going to focus on Station MD use, and avoiding large crowds/events.- We are currently in a staffing crisis, with 70 openings. So decisions may be made that are a little out of the ordinary. Please be flexible and understanding during this time.- Please work with your team if you have any concern regarding the new regulations or new plan that we push out.- We have setup a remote support demo location. We are going to be sending out an email regarding signing up to demo this if you are interested in remote supports.- If someone tests positive your team will reach out to discuss options for quarantines, staffing, etc.- 16 staff and individuals in 7 homes currently are positive.- COVID updates found here: https://www.lifeunlimitedinc.org/covid-19/
Missouri Independent Article	Emily R	<ul style="list-style-type: none">- Article featured in the Missouri Independent about Build Back Better and how it effects organizations like ours.- https://missouriindependent.com/2021/12/21/with-low-wages-missouri-disability-service-providers-urge-higher-reimbursement-rates/

**Life Unlimited Friends and Family Meeting
01/05/2022 at 3:00p via Zoom**

Visits	Amy T.	<ul style="list-style-type: none">- If you are doing visits:- Please wear KN95 masks, wash hands, sanitize and complete temp logs in the homes.- Coordinate these meetings with the TS or PM in the home.- No new changes for Rec.- For CSO working through CDC Guidance but CSO will continue as is for now.
